

COURSE RECORD

Code	BA 499
Name	Summer Internship
Hour per week	2 (0 + 2)
Credit	1
ECTS	7
Level/Year	Undergraduate/4
Type	Compulsory
Prerequisites	To have successfully completed 150 ECTS worth of courses in the Business Administration Department
Description	This course intends to teach the students to get to know working and business life prior to their graduation and therefore to accumulate a certain level of experience before they are employed as graduates. This course focuses on learning and choosing business areas that are compatible with their own skills and interests and seizing the opportunity to observe the real-life applications of the discipline of Business Administration.
Objectives	Learning and choosing business areas that are compatible with the learner's skills and interests. Seizing the opportunity to observe the real-life applications of the discipline of Business Administration Applying other related disciplines that they have learned during the coursework as well.
Learning Outcomes	<i>By the end of the course, the student will be able to,</i> L01. Apply the theoretical knowledge to real-life problems that might be faced in a business environment. L02. Develop necessary skills and knowledge both personally and related to the professional areas. L03. Utilize practical knowledge that is not explicitly taught in the curriculum. L04. Identify the skills and experience of working in project groups, and inside a management hierarchy in business life.
